To Our Trading Partners;

A.M.S. Exotic, LLC supplier of Earth Exotic Premium Vegetables, Earth Exotic Food Service Products and Export Services is proud to announce improvements to our Order Placement systems. A.M.S. Exotic, LLC is now prepared to receive orders via EDI (Electronic Data Interchange) as well as the I-Trade Network.

Both electronic transmission services allow our trading partners to send & receive orders and order confirmations, electronically. These systems also allow expedited Accounting services for all parties.

Please see the necessary technical information below. For assistance please do not hesitate to contact our Electronic Systems Administrator, Kevin Fontana.
